

Celebrate after retirement

Senior citizens from Mumbai, Pune and adjoining areas congregated last fortnight, at an event organized by Ashiana Housing to celebrate Valentines Day with Senior Citizens at 'Utsav' - the Retirement Resort at Lavasa by Ashiana Housing.

The resort is planned keeping in mind the requirements of the seniors. The resort caters to various needs of the residents like wheel chair-friendly campus, security, social, medical, spiritual and recreation, besides having a club, swimming pool, badminton court, and gymnasium. An activity center houses the restaurant, library, TV hall, internet café, auditorium, card room, hobby rooms and table tennis room. The resort will also host weekly/fortnightly activities including cinema, satsang, theatre, tambola, cultural events, festivals etc. Lavasa will also have its own Medical Assistance Center with doctors, nurses, pharmacy and ambulance.

A novel concept that promises to make life after retirement a celebration.
