## **IMPORTANT INFORMATION REALTED TO STAMP DUTY**

### **Documents to be executed and Stamp Duty and Registration Charges Applicable –**

In Tamil Nadu earlier there were two type of documents that were executed and registered for a Unit- one was Construction Agreement and another was sale deed/sub lease deed for undivided share in land (UDS). The stamp duty and registration charges applicable on Construction Agreement were 1% and 3 % respectively. Stamp Duty and Registration Charges applicable on Sale Deed/Sub Lease Deed for UDS was 7% and 2% respectively.

However, government of Tamil Nadu vide G.O. No. 131 dated 01.12.2023 decided to do away with the current procedure of registering of 2 documents separately for land & building and instead has introduced a procedure of single sale deed/sub lease deed for the units however there is no clarity as to the agreement to be executed for the unit and stamp duty & registration charges applicable on the same. As per the Sub Registrar the stamp duty applicable on the composite agreement for the unit is 1% & Registration Charges is 3% on the entire value of the agreement. Further stamp duty and registration charges applicable on sale deed for unit is 5% and 2 % respectively. However, there is no provision of adjustment of stamp duty paid on agreement against the stamp duty to be paid at the time of sale deed/sub lease deed.

**CREDAI, Tamil Nadu** has filed a writ against the said G.O. and same is pending before the Honorable High Court.

Till the pendency of the Writ, we plan to execute three documents with the prospective allottees- Agreement for Sub Lease of UDS, Construction Agreement and Composite Agreement for the Unit and subsequently Sale Deed/Sub Lease Deed for the Unit. The documents will be registered as and when clarity is obtained. However, if the Government does not revoke the said circular, the allottee will accordingly be liable and responsible to pay the stamp duty and registration charges applicable as per current structure on agreement /lease deed or amendments introduced from time to time.

**Note:** Handing over of every phase undergoes a set of standard process. It includes checking of unit, clearance of payment, preparation of registration documents, registration and possession of unit. This process normally takes 2-3 months of time for all units to get handed over after the receipt of completion certificate.

**AREA DETAILS**

- **'CARPET AREA as per RERA'** means the net usable floor area of an apartment, excluding the area covered by the external walls, areas under service shafts, exclusive balcony or verandah area and exclusive open terrace area, but includes the area covered by the internal partition walls of the apartment.
- **BUILT -UP AREA** is the sum of carpet area together with exclusive balcony /verandah area(covered or uncovered ) and the area under the external wall , in case there being a common wall between 2 apartment then 50% of the thickness of such wall.
- **SUPER AREA** has no commercial bearing. However, before applicability of Real Estate Regulation Act, immovable properties were generally sold on Super area basis. It is now very difficult for the allottees to compare between the unit sold on Super Area and the units being sold on Carpet Area basis. Therefore, for the purpose of making it comparable with the properties sold prior to applicability of Real Estate Regulation Act, Super Area of the unit is being provided. Consideration of the unit is dependent on Carpet Area and exclusive balcony or verandah.
