As we look back, Ashiana's journey has been a great and enriching one. We have planned our businesses well, created sustainable strategies, chartered through economic cycles and maintained focus on our product quality. At the same time, we have also constantly adapted to the ever-changing business environment, as required by the exigencies of business.

But, despite the changes, we have not compromised on our core values, which have stayed with us since our inception in 1979. In short, we have truly evolved.

We've EVOLVED

Brand Ashiana

We have built over 13 million sq. ft. of area with more than 7500 families residing in the homes built under Ashiana name. We have pioneered concepts like senior living in India. We are also the first group housing developer in Patna, Bhiwadi, Jamshedpur and Neemrana and also the first to undertake the maintenance of its residential properties since 1992.

Ashiana was listed in the Forbes "Best Under a Billion" list for two years in a row. We are the only company in the real estate segment in India to achieve this honour.

It has been an exciting journey with new milestones every year. From being a two project company, constructing two lakhs sg. ft. per year, Ashiana currently is developing over 75 lakhs sg. ft. in eight projects across six cities.

As we expanded our presence in the existing markets and entered newer geographical territories we realized the need to make a stronger and a unique brand. There was an urgent need to differentiate our visual identity from other real estate companies and the companies that use the name Ashiana.

Also we understand, rebranding is not about crafting propaganda or marketing illusions, but fundamentally about our ethos, our character as a company, how we want to organize our purpose and how we want to be perceived in the world. Therefore, rebranding Ashiana, to us, involved an internal re-engineering of our worldview, and defining the core of the company.

We hired a brand consultant who researched through a scientific process, which involved in depth interviews of 129 stakeholders including employees, customers and vendors. The idea was to arrive at the answer to the question: "What does the brand Ashiana actually stand for?"

This inward journey to discover our brand core brought us to the following conclusion:

Brand Ashiana stands for honesty that redefines expectations.

Here's how it works in our manifesto:

In every business, customers have a set of expectations:

- Expectations about quality
- Expectations in the context of behavior and ethics
- Expectations that customers merely accept as they are not aware that these can be exceeded

At. Ashiana we believe, we are in business of redefining expectations.

Whether the expectations are about timely delivery, transparency or commitment to the welfare of family even after the sale.

We believe that when one's starting point is honesty; it's easier to redefine expectations.

Expectation

"I am a very social person and I like celebrating with one and all. but you can not determine at the beginning stage if everyone is going to be the same way."

What it means?

More than the community space, it is staying among like minded people which appeals to customers. This expectation is not necessarily a motivator (to buy) but a satisfier, post purchase.

What it means?

Overall well being covers everything required by customers (community living and its benefits, all round development of kids). This social context resonated the most with the customers.

Expectation Redefined

"People supporting each other, doing yoga and celebrating together is something which had been there when we bought our home in Ashiana."

Resident of Ashiana property

What it means?

A priority for majority of the respondents. Most complexes providing landscaped gardens do not allow kids to play a need gap that emerged.

Expectation I should be **assured that my** family is safe back home even if I have to be at work for long and odd hours, there should be no threat of any burglary when I am not around, I should be at peace that wherever I am, my family is safe." These are the reasons we buy a house.

Expectation Redefined

"My family's well being is most important when considering a new home. And we got convinced when we lived here & experienced the secured living." Resident of Ashiana property

Expectation

"Prior to this, I was living in a rented builder floor, we **could not** allow the kids to go out and play even if they wanted to because of the traffic on the streets and all types of people living in the area. This would have affected my son's development."

Expectation Redefined

"If my kids feel safe, I feel safe. This is important - a major reason for me to shift. Now my kids get a good and conducive atmosphere facilitating a better all round development." Resident of Ashiana property

How it is reflected in our actions

These are examples that arose during discussions:

- The price lists regularly updated on the website and a transparent pricing policy followed.
- Quarterly work progress reports along with photos are sent to customers.
- Demand letters are sent only after completion of work.
- Maintenance costs and operating margins are shared with customers.
- Every sales executive talk to at least two customers every month after the sale.
- Senior management team talks to eight customers every month for their feedback and implement them accordingly.
- There is no sale related incentive in Ashiana. This ensures that all the sales executives are motivated by the customers' satisfaction and not by a sale.
- All vendor meetings start with a question that "Will the customer benefit from this?"
- The sample flat is designed keeping in mind the actual budget that the target group can afford.
- There is a single point of contact for customer for any issues post the sale.
- Ashiana does not involve brokers in the booking process at all.

Ashiana means everything to be very systematic. Good staff people which guides us in a proper way at every point of time. A great amount of satisfaction level with the company and the people of the company. Regular updates of construction helps us to be in touch. Really very happy and appreciate to be a part of Ashiana.

Maj. Hemant Mehta Rangoli Gardens, Jaipur

Distinct & Unique

Once we were clear & specific on the Brand promise, the next step towards differentiation was to translate it into a visual identity.

This was reflected in two parts:

- A visual that focuses on care and protection as a dimension of honesty - a mother displaying her protective instincts as she holds her child
- A brand line that re-assures the recipient of the communication - you are in safe hands

Therefore, what emerged was our new logo and the new tagline.

The initial impression the logo gives is an impression of 'a' from Ashiana. But if you look closely, it is also a baby in a mother's safe and comforting embrace, symbolizing the safety and trust that you have reposed in Ashiana.

The tagline below the logo 'You are in safe hands' specifies that once associated with Ashiana, you don't have to worry about deliveries, investments, safety, security and other issues related to housing.

is now

Ashiana Housing Limited 08

ashiana you are in safe hands

ΤM

What hasn't changed

Ashiana already had a strong, relevant and underlying differentiation; is currently doing everything right, and the sole purpose of rebranding was to reflect what the company is already doing in a much more compelling, persuasive manner.

What has not changed and shall not change is our continuous endeavor to provide safety of your investment, comfort to your families and our endless efforts to bring the smile of satisfaction in your experience. This is evident in our purpose, vision & mission.

Purpose:

To bring a smile of satisfaction on people's faces.

Vision:

To nurture an environment which brings a smile of satisfaction to people who meet us, who live in homes built by us, work with us, supply to us and invest in us.

Mission:

- To develop & maintain homes which are functional, aesthetically pleasing and environment friendly for the middle income group.
- To create retirement communities where senior citizens can lead active, fun filled and a secured life with dignity.

Therefore, we have always worked hard to keep our core values in place. These are:

 Happiness All Around : means importance to all; freedom to work & speak; being able to make a mistake; family like environment, good inter-personal relationships

- Transparency : means honesty; sharing information regularly; self-belief; delivery on time
- Going the Extra Mile : means passion for everything; continuous improvement; adaptability to change.
- Never Give Up : means fulfilling commitment.

Happiness all around

Ashiana adopted Thada Government School & Village development work like building road. Due to some reasons we were delayed in our target dates. Mr. Animesh (Site Engr.) took the charge & finished this difficult work on time. The smile of satisfaction on students face just paid us the right way.

Sunita Arora Executive CSR

I really appreciate for what Ashiana is today. From top level till low level people are very sincere here. Its amazing that company is growing at rapid rate. Over the years the satisfaction level has increased to a great extent. Things have grown which maintained the regular faith. People are good and genuine over here.

Joy Mishra: Resident of Ashiana Aangan, Neemrana

Transparency

Mr. Suresh Sharma (Sr. Electrician) went to the ESIC Hospital for some treatment. On learning that he was an Electrician, he was asked to fix some wiring problem in the Air Cooler at the hospital. Mr. Sharma willingly did so and was offered some cash for

having repaired the cooler. He refused the money saying that as an Ashiana employee, he was not supposed to work and earn outside the company. The same evening our Manager (Corporate

HR) received a call from the ESIC Inspector, Bhiwadi. He called to say how impressed he was by Mr. Sharma's ethical attitude and also appreciated the manner in which Ashiana was able to pass on its Core Values to its employees. He congratulated the company for creating such committed employees.

Yuri: Manager at Ashiana Maintenance Services

Everything seems to be like an open book in Ashiana. Commitment towards the things generates a great amount of confidence among customers. Timely possession and the quality construction is the main plus point of yours. The project is environment healthy which keeps our mind at good state. The project status is being updated at all points of time. We are really happy to be a part of Ashiana

family.

Dr. Balwant Singh: Resident of Rangoli Gardens, Jaipur

Going the extra mile

Once the registrar office in Bhiwadi caught fire at 9 p.m. Mr. Pankaj Joshi (Legal Officer) saw the fire & laid his helping hand to the staff. He helped them, till two in the morning in bringing out the land records. The staff & Subregistrar. Bhiwadi thanked him personally.

Om Prakash Manager Legal

When we shift to a new place we have great expectation, in the form of facilities. My husband had a severe problem of high BP and low sugar; he became unconscious

at 3:00 am and within 15-20 minutes, with the help of the people at Utsav Care Homes, we were at the Hway Hospital. Our AGM, Ms. Bulbul communicated with Dr. Sachin, Dr. Muralidhara and Dr. Ravi Ranian and made things easier to manage at all levels during my husband's hospitalization. I feel, I was very fortunate to have been at Utsav and to have availed the facilities provided to us. This is the right place to be when we are alone and away from our children. After coming here, I have never felt that I was alone, or at a new place without any family member. One cannot expect anything better than this.

Sneh Singh: Resident of

Ashiana Utsay, Bhiwadi

Never give up

In last 3 months we leased 6 shops in Village Center Bhiwadi, every customer best in his field. Everyone had different requirements, specifications, thoughts and time lines. Ms. Ashita Mujumdar (Site Engr.) who is the in-charge for Village Center construction took charge of finishing it on time. And after facing many obstacles, at last delivered shops on time. All customers/ shopkeepers are satisfied & praise her & Ashiana's commitments. Vijay Sharma

Manger Purchase

At Ashiana Utsav, to keep all the seniors on one platform is very very difficult. Some prefer silence while others prefer fun. For some.

religious activities give them peace, while social gatherings make others happy. When we shifted, then we realized that the management has such a strong will power to keep everyone happy.

Their "never give up approach" allows us to have such a beautiful & peaceful life after retirement.

Resident, Ashiana Utsav

Our Accolades

This year Ashiana has bagged four prestigious real-estate awards back-to-back. This achievement also brings with it a responsibility and a name to live up to. These awards mean that we are on the path where success is followed by the excellence and dedication & lead to great customer satisfaction.

Accolades till date:

- Best Affordable Housing in Delhi NCR for Ashiana Aangan, Bhiwadi by CNBC Awaaz Real Estate Awards 2012
- Best Affordable Housing in India for Ashiana Aangan, Bhiwadi by CNBC Awaaz Real Estate Awards 2012
- "Best Theme Based Township Non-Metros" for Utsav Bhiwadi by CREDAI Real Estate Awards 2012
- Received BMA Siegwerk Award for Corporate Social Responsibility 2012
- Forbes' rates Ashiana among Asia's 200 Best Under a Billion Dollar Companies twice in a row (2010 & 2011)

Financial Highlights 2012-13

Letter from MD

Dear friends,

We have had an interesting year. We had a lot of challenges regarding land conversions and launch of projects but despite it we were able to sell more than what we did last year. We were not able to achieve our construction target but we did a lot of preparatory work in projects which we are on the verge of launching: From getting our site offices ready to land development to WOW factors and database management.

Financial performance for the year 2012 was low as expected. The reason being the change in accounting policy from POC (percentage of completion) to the contract completion method. The year was a transition phase when the projects nearing delivery have been accounted under POC method and most of the projects under contract completion were in early stages of construction. Net income was ₹ 33.15 crores on the sales and other operating revenues of ₹ 161.42 crores, amounting to 13% percent return on average net worth.

On operations, we constructed an equivalent area of 12.27 lakhs sq. ft. We booked 18.65 lakhs sq. ft. of area, with an average realization of ₹ 2,699 per sq. ft. There was a good price appreciation in all the projects around.

One reason for premium in our product is our superior quality with enhanced service standards. We have built a strong presence in Jaipur and Jodhpur in the last three years, complementing our leading position in Jamshedpur and Bhiwadi. We are now a leader in most of the markets we operate. The positions that we have in these markets are also deep-rooted thanks to our sales and customer feedback system, which enable us to match and exceed local competitors when it comes to meeting the customer expectations.

Last year we lost our chairman, my dad Mr. Om Gupta. He had built the company to what it is today from scratch, and all of us have resolved to carry his legacy forward. He was a person who just did not change the way people think of business and real estate but taught us how to live a life full of smiles. Though he had moved away from the day to day functioning of the company three years back, but emotionally and strategically it has created a big void for us. He has built the company for the long term and we want to use the platform he has given us to build the brand, to be honest in our dealings and to nurture the smiles by building homes that are functional, pleasing and aesthetic.

We went through a rebranding exercise during the year and launched the new logo and tagline for Ashiana which is aligned directly to our core values and also differentiates our brand from other companies in a powerful manner. There was a need for doing the same as our company is continuously expanding into newer geographies.

All this showed a lot of conviction from us to make sure we are getting prepared. This year, we are ready to launch multiple projects and all the productive work of preparation done last year should give us good returns.

Nevertheless, our sales and construction target are very challenging and would require a lot more extra effort even after all the preparatory work. This will also require skilled manpower from labor to senior management. We had already established skill development modules for the masons and started skill & technical enhancement program for supervisors (STEPS) last year. And for this year, the company's priority is to establish a leadership development program.

The purpose of this leadership development program will be to create leaders from within. It is our belief that we can create more and more leaders from within who will manage the growing needs of the company and preserve our core. For this we all need to spend a lot more time in grooming, training and giving additional responsibility to people. As we look at growing at annual rate of 20-25%, we will need to spend a lot more time and effort in grooming our next line. I hope to see an Ashiana which creates leaders regularly and makes sure people grow not just in designation alone, but in knowledge, ability, skills and responsibility.

Hope to have a great year ahead full of learning and fun.

Thank you for investing in Ashiana.

Always keep smiling.

Vishal Gupta

Managing Director

from ₹ 2,190 per sq. ft. in 2011-12

One reason for premium in our product is our superior quality with enhanced service standards. We have built a strong presence in Jaipur and Jodhpur in the last three years, complementing our leading position in Jamshedpur and Bhiwadi.

Q&A with Joint Managing Director

Why did Ashiana go in for rebranding?

First reason being the changing contours of the real estate business. We realized that the real estate business was no longer only about products with four walls and a roof; that it was a service business. It was therefore necessary to first discover the unchanging idea, the higher purpose, of this service business, and then, a sharper promise to customers.

The other reason was to create differentiation. It was necessary to differentiate Ashiana in the context of its expansion into newer geographical markets, and the presence of many other real estate companies with the brand name Ashiana in these markets.

What does your logo stand for? How does it highlight the core values of the company?

All along, our customers have believed they are in safe

hands. Our new identity reflects this very truth. At first glance, the visual looks like the letter a: a for ashiana. But a deeper gaze and you will see a baby in a mother's safe embrace.

Ashiana in one line stands for 'Honesty that redefines expectations'. We live upto this claim by practicing four values in our everyday lives (Transparency, going the extra mile, never giving up and spreading happiness all around).

All of this helps us make our customers feel that they are in safe hands.

This year the company has initiated land

acquisitions / JVs in a number of new locations? What is the vision for this strategy?

Our unit sales have increased at a CAGR of 29% over the last five years, with the company having sold 18.65 lakhs sq. ft. of area in FY 2012-13. This momentum has rapidly shrunk our land inventory of saleable projects. Over the last two years, we have constituted a land acquisition team of three people at head office & supporting staff at each location. We have had reasonable success in acquiring land parcels in Bhiwadi, Jaipur, Jamshedpur, Jodhpur, Neemrana, Halol & Kolkata.

Our philosophy around land acquisition is pretty straightforward and built on the following tenets. Land for us is just inventory. We want to block minimum amount of cash in it and at any given time have saleable land inventory of 5-7 times the sales run rate in any given year.

The other thing we look for is that our final land cost per sq. ft. should not be more than 25% of the final selling price.

The company had a great response to the Neemrana launch? In what ways this launch was different? Are there any lessons for the future?

Q&A with Joint Managing Director

In Neemrana we were able to sell over 236 units out of total 336 units in the first month of launch. This is unprecedented in company's history and we are pleasantly surprised by the vote of confidence that people showed in the company, even though we launched a project after a long gap of six years in that location.

The biggest lesson for us as a company is that people repose a great faith in Ashiana brand and what it stands for. It validates our belief that it's the trust that the Ashiana brand inspires that will differentiate us from other competitors in the long term.

The Indian economy has slowed down considerably over the last year? How has that impacted your business?

There is definitely a slowdown in business activity in India, in the past few years. We read it in the media and many dinner conversations are centred around it. While on one hand, it has helped us as the cost pressures in the construction activity have eased a bit, there is a clear impact on the end buyer sentiment about the slowing state of affairs.

In our case, we have not felt a dramatic impact on our sales. Our sales run rate across the various sites while being slower than our expectations, are steady. Partly our sales have also suffered because of the delay in the approval of our projects.

Value of Area Booked

We firmly believe that in our target segment, which is the mid income housing in the price range of ₹ 15-60 lakhs, there is less impact of a slowdown given its concentration on first time home buyers. Our sales however can get impacted if our target segment starts feeling insecure about their jobs. However, based on our interaction with customers we feel that is not the case right now.

We can start feeling the pinch if the slowdown continues in the coming year and further decreases economic activity and job prospects.

Over the past few years there been a high cost inflation in the construction & labor costs? How have you tackled them & will such cost pressures continue for the future?

There has been some easing of the constant increase in labor and material costs. For high-rise structures, our construction cost per sq. ft. of saleable area has gone up from ₹ 900 to over ₹ 1,250 per sq. ft. now. As for labor, not only have the costs gone up, there is an acute shortage of skilled labor due to changes in migratory pattern of workers from Bihar, Bengal & Odisha.

To tackle this, we are focussed on increasing the efficiency in the entire value chain. One tracking parameter we use to track labor efficiency is the area constructed per man day. This parameter which was 0.83, 2 years back is currently at 0.95 and we aim to increase it to 1.20.

Another effort is on increasing the mechanization in the entire construction process. We have made decent progress there and while earlier we were able to complete projects from launch to finish in 33 months, we have reduced it to 30 months and further aim to reduce it to 27 months. This will not only help us save on costs but also will increase the velocity of cash flows in the systems and hence result in better return on investments.

What drives your capital allocation decisions while going in for new projects? What are the IRRs that

you look for while looking for new projects?

As a company we want to have limited investment in land assets only enough to help service our current/planned level of sales. This strategy has helped us grow at a fast clip, without using too much capital. We feel that our capital efficiency is one of the best in the industry largely because of this strategy.

We want to acquire land in areas of economic activity, and always consider a project after assessing the feasibility of purchasing power of the target customers. We have an in-house team that surveys potential areas, and makes assessment on the capacity of that micro market to absorb home units. It's only if we find the demographics and economic activity of an area favorable, that we will look for a land parcel in that area.

We broadly look for an IRR of over 30% in any project we choose to invest.

Referral sales are a big part of your sales numbers? Could you explain why this is so high & what all company does to ensure these high rates?

One of the biggest strength that our company has is the large number of referral sales. The entire ethos of this trust has been built on a philosophy of honest and transparent dealings with customers.

Of our total sales, over 50% are through referrals. This has been a big differentiator for us and helped us maintain our growth momentum even in markets where overall sales are slowing down.

We understand that the sales process of the company is quite different & not incentive driven? Could you explain the process & the thought process that drives this?

We have built our sales force in a way that there is no sales incentive in making more sales. We feel that if we give incentive, then there is a strong motive for a sales guy to do everything to meet his target. If they are missing targets, they could misinform or misrepresent to customers, which will hit the very foundation of the trust that customers have in the Ashiana brand. This policy has held us in good stead

and has helped us build a sales team. whose working ethos is very different, from the general trend. It has helped us build our brand for the long term.

Your average realizations have grown to about ₹ 2,600 per sq. ft. What has driven this big jump in realizations?

We started our journey in real estate by selling units at about ₹ 450 per sq. ft. way back in 1991. Since then we have come a long way and last year sold 18.65 lakh sg. ft. at an average realization of about ₹2,699 per sq. ft.

There has been a good jump in realizations over the last 2 years. We are seeing that our brand is trusted for good quality, timely delivery and honest dealing and that in turn is helping us command a premium in the market of 5-7%. However, we cannot extrapolate this trend and say that the premium will continue to rise.

What are the key parameters that the investor community should use to track the progress of the company?

We have changed our accounting standard from a percentage completion method to contract completion method. This has resulted in the deferring of our revenue recognition and both this year (FY2012-13) and next year (FY2013-14) will see an impact, in terms of reduced top-line and bottom-line.

For the investors to track the performance of our company we are rep<mark>ort</mark>ing the following figures every quarter in earnings report:

Total area sold in sq. ft.

- Total equivalent area constructed (EAC) in sq. ft.
- Average realization per sq. ft.
- Pre tax operating cash flow for the period
- By tracking these metrics, the investor can track the performance of the company. Whatever is sold has to be delivered with a time lag of 18-24 months.

Over the time we aim to disclose more metrics. which we hope will help our investors to track our operational and financial performance in detail.

Organizational Structure

Key Management Team

he operations of the company are overseen by a professional management team under the guidance of its Managing Director, Vishal Gupta. The top management team has the requisite experience and qualification for their respective responsibilities. A brief profile of the top management team is as follows:

1. Vishal Gupta

He is the Managing Director of the company. Vishal Gupta is a graduate from Sydenham College (Mumbai) and an MBA from FORE School of Management (Delhi). Vishal Gupta is acknowledged for his in depth understanding of the real estate business, customer psychology and market behavior. He has a great eye for detail and takes a keen interest in the conceptualization and planning of new housing projects for the company. He is associated with Ashiana for the last 18 years and actively involved in finance, marketing, project execution and general administration. He has been instrumental in present growth of the company.

2. Ankur Gupta

He is the Joint Managing Director of the company. Ankur Gupta is a Bachelor in Business Administration from Fairleigh Dickinson University (USA) and an MS in Real Estate from New York University (USA). Ankur Gupta focused on residential projects for senior citizens during his research work at University. His experience was put to good use at Utsav and currently he leads sales & marketing, HR and IT of the company. He also looks after hotel and facility management segments. He has around 13 years of experience and is actively associated with Ashiana for the last 11 years.

3. Varun Gupta

He is the Whole Time Director of the company. Varun Gupta is a Bachelor in Science from Stern School of Business, New York University (USA). Varun Gupta majored in Finance and Management and graduated with the high academic distinction, 'Magna Cum Laude'. He then joined Citigroup in Commercial Mortgage Backed Securities where he was underwriting commercial real estate. After a year and a half of this rich experience, he joined Ashiana where he is looking after land, legal, strategy and finance for the last five years.

Note: Vishal Gupta, Ankur Gupta and Varun Gupta are brothers in relation.

4. Pramod Kumar Jaiswal

53 years, is our Vice President. He holds a degree of Bachelor of Engineering (Civil) and has over 29 years of experience out of which 24 years are with Ashiana. He is responsible for implementation and execution of company's projects in Bhiwadi & Neemrana. P. K. Jaiswal has many successful projects in his name. He was also instrumental in completing the Tataward Hospital - medical college project at Patna, in the record time of ninety days. Prior to Ashiana he was associated with Vishnu Sugar Mills at a senior position.

5. Sanjeev Rawat

52 years, is our Vice President. He is looking after the entire project implementation, execution and other senior managerial work in Jaipur and Jodhpur (Rajasthan). He had been in Indian Navy and retired from the post of Commander. He is a Master of Science in Defence and Strategic Studies and has around 32 years of experience. He is associated with Ashiana for the last five years.

6. Shantanu Haldule

This 46 year old retired Army officer is B.A. with Industrial Relations & Personnel Management and has a post graduate Diploma in Industrial Security & Corporate Intelligence. He is our Vice President heading Jamshedpur and Kolkata, responsible for project implementation, revenue generation and to lead Jamshedpur and Kolkata team towards achieving the assigned targets. He brings his rich experience of 22 years in uniform and has been with Ashiana for the last three years.

7. Manoj Tyagi

42 years, is our Vice President. He is looking after the entire project implementation, execution and other senior managerial work in Lavasa (Maharashtra). He holds the degree of Bachelor in Technology from Institute of Technology Banaras Hindu University and Post Graduate Diploma in Management from Indian Institute of Management, Indore. He has around 18 years of rich experience. Prior to Ashiana he was working with Bharat Heavy Electricals Ltd. He has been associated with Ashiana for the last five years.

8. Shyamal Kumar Palit

51 years, is our Vice President (Operations). He is in charge of construction and planning activities of the company and has 27 years of rich experience in this field. He holds a degree in Civil Engineering. He was previously employed with Hyundai Corporation in Kuwait. He is associated with Ashiana for the last 21 years.

9. Atma Sharan

53 years, is the Vice President heading our facility management and senior living business. He is an alumnus of IIM, Ahmedabad, and holds a diploma in Automotive Engineering. After a career in the defence forces, he joined Ashiana Housing Ltd. in Oct. 2007. For two years he headed the sales and marketing operations of the company before taking up the present assignments since Feb. 2010.

10. Kuldeep Gahlaut

49 years, is our Vice President. He is looking after the Human Resource department of the company. Gahlaut is a retired Colonel from Indian Army. He holds a Master of Science degree in Defence Studies and a Post Graduate Diploma in Business Management from XLRI, Jamshedpur. He has 28 years of

Key Management Team

rich experience. He joined Ashiana as Vice President, Jamshedpur in January 2009 and moved on to head the company's HR operations from April, 2011.

11. Sunit Gandhi

Key Management Consultants

60 years, is the architect advisor of the company. He holds a bachelor degree in architect and has rich experience of 38 years. He has been associated with Ashiana for the last

Economy

The year under review was marked by a series of negative developments that together have adversely affected the economic growth in India, especially in the manufacturing economy. Industrial activity in India remained sluggish in 2012 and based on advanced CSO estimates, the Reserve Bank of India has estimated the GDP growth at 5.0% for 2012-13. Rising energy costs, increasing raw material prices, high interest rates and falling rupee had the effect of depressing consumer demand and the industrial production was almost stagnant. Many sectors have shown negative growth in the year under review.

2012 was a challenging year in many aspects. In that while economic growth decelerated, the inflation remained stubbornly high for most part of the year. It's only now towards the end of the period under review that core inflation has started to come down. This has greatly impacted industrial demand and the growth for the year was estimated at 2%.

Industry

Globally, the volume of under-construction activity in real estate in India is second only to China. The ongoing economic slowdown has had a mixed impact on property markets in India.

In the residential markets, the capital value in many micro markets across cities had already crossed their previous peak levels of 2008. There is still a lot of end-user and investor demand unmet in all the cities. Though some micro markets in the metro cities of Mumbai and Delhi are facing slowing sales and have unsold stocks, it's largely the result of oversupply. Most large real estate firms focused more on project execution and debt reduction in the year gone by, high interest rates, a slowdown in approvals and a drop in the number of launches has impacted overall volumes in the industry.

Uncertainty in approvals and delay in formulating policies across states still remained the major

country.

concern in industry. In Rajasthan, when the conversion laws were revised, they took over a year and conversions were on halt in the whole state for that period.

The real estate sector in India has come a long way from being dominated by a handful of players in the 90s to an expanding base of developers, investors and global stakeholders buoyed by the growing construction industry in the country. The sector has been undergoing corporatization and professionalism and recognized as a key sector contributing to the economic development of the

Operating in a dynamic environment, the success of real estate companies depend, in large part, on their ability to deliver innovative, user-accepted products and services in a timely, seamless manner.

Operational Review

The target segment for Ashiana remains the same but has been re-categorized under the branding initiative as:

Comfort Homes: Housing for the middle income group in upcoming industrial areas and in towns with population of more than ten lakhs in India.

Senior Living:

Active Senior Living for people over 55 in the middle income group in cities having population of more than 25 lakhs or in magnets / satellites of metros under th<mark>e b</mark>rand 'Ashiana Utsav'.

Assisted Living for people in advanced ages who require assistance in performing their daily living routine chores by the name 'Care Homes' in Senior living complexes.

Lifetime commitment to the customers is provided through Ashiana Maintenance Services Limited; a wholly owned subsidiary of Ashiana Housing Limited which provides quality maintenance to all Ashiana properties. It currently maintains over 6,469 units in

21 complexes, covering an area of 8.6 million sq. ft. In addition all the residents are assisted with resale & rental services after they have bought with Ashiana.

On operational front, your company had a mixed response. While expected launches got delayed due to slower conversion process across cities, the projects which were launched received extraordinary response. Two new projects in Neemrana and Jamshedpur respectively were launched and both of which received fabulous response and got almost fully sold in a month after launch.

Booking targets for the year were revised in the third quarter from 16 to 18 lakhs sq. ft. and the actual sales closed down at 18.65 lakhs sq. ft. for the year 2012-13, which is much higher than our stated target for the year.

The average realization per sq. ft. in your company in 2012-13 was ₹ 2,699 per sq. ft. as compared to that of ₹2,190 per sq. ft. last year.

On construction front, an equivalent area of 12.27 lakhs sg. ft. was constructed in the year. The numbers are lower than the targets primarily due to nonavailability of buildable inventory as land conversion process in Bhiwadi got delayed. Approvals in Kolkata have also not been received as of yet. The approvals saw movement in the fourth quarter with land use conversions happening in Ashiana Town (Bhiwadi), Ashiana Navrang (Halol) and Ashiana Dwarka (Jodhpur). We expect construction to pick up in this financial year and cover the backlog happened in 2012-13.

Meanwhile in order to improve operational productivity, processes have been built and specific task forces are assigned for planning launch of new acquisitions including areas like design and schedules, cashflows, material and labor planning, supervisors' availability etc. Various schemes and programs targeted to increase the supervisor productivity have been adopted.

Project Overview

,						As on March 31, 2013
Project	Туре	Location	Saleabale Area (Lakhs sq. ft.)	Area Launched (Lakhs sq. ft.)	Area Booked (Lakhs sq. ft.)	Expected Completion Time

Grand Total			78.29	71.16	62.36	

CY=Calendar Year

Comfort Homes

Rangoli Gardens, Jaipur: Rangoli Gardens in Jaipur saw increased momentum in bookings as possessions of initial phases have been happening and people have started moving in the project. There was a good price appreciation in the project as well. Occupancy, we have seen over years, helps increasing the customers' satisfaction manifold. This is Ashiana's largest project in Jaipur; spread over 26 acres with 8.8 acres of parks within the complex.

Ashiana Aangan, Bhiwadi: Ashiana Aangan, the 20.56 lakhs sq. ft. project in Bhiwadi got completely booked and delivered. The project has come out really well in terms of aesthetics and occupancies and the average realizations in the project went up to ₹3,644 per sq. ft. by end of 2012-13 from ₹2,384 per sq. ft. in 2011-12.

New Launches:

Ashiana Aangan, Neemrana was launched during the year consisting of 336 units. Out of those, 335 units were booked by March 31, 2013 itself. There was a delay in approvals, that has led to the unlocking of pent-up demand and given the large industrial activity happening in Neemrana, there were a lot of new customers as well.

Ashiana Anantara, Jamshedpur was launched in Jan 2013. We have booked 82% of phase I in two months itself, which again is a great customer response. Located on the Jamshedpur- Kolkata highway (N.H.-33) and opposite to commercial developments like Eyeplex Multiplex and Big Bazaar, the project falls under prime residential area. It is also in close vicinity to Brahmananda Hospital and MGM College.

Senior Living

Ashiana Utsav, Lavasa: Construction picked the momentum during the year and your company has started giving possessions for phase I of the project. Sales also have improved as the possessions are happening and customer is regaining confidence in the project.

Land Aquisitions

Treehouse Residences, Bhiwadi: This is a small project comprising of 36 units catering to upper

Assisted Living (Ashiana Care Homes): Assisted Living launched in Bhiwadi last year was a great success. We had started with just 10 units with services designed for people who require supervision or assistance in performing their daily living routine chores, and hence do not find independent living arrangement suitable.

We hired professional staff trained to render discreet supervision and help with dressing, bathing, eating, or using the bathroom. Senior citizens who need professional care have found the facility very appropriate and useful. Services being shared make it economical and also specific to their needs.

Looking at the success, phase – II for Ashiana Care Homes was launched in Bhiwadi. In Jaipur also, specific space has been allocated in the Ashiana Utsav campus for assisted living and we plan to launch the same in all the senior living complexes built by Ashiana.

Much progress was made on land acquisitions during the last year. There was a need to have access to more land parcels as a lot of the ongoing projects were nearing completion and inventory was required to keep the momentum going, In all, five new land parcels were acquired this year:

middle segment in Vasundhra Nagar, Bhiwadi (Distt. Alwar, Rajasthan). The land was acquired in an auction conducted by UIT (Urban Improvement Trust), Bhiwadi and project got launched in first quarter itself comprising of 4 & 5 BHK flats with retail on the ground floor.

Ashiana Anantara, Jamshedpur: Another acquisition was done in Mango, Jamshedpur [Jharkhand] for 4.026 acres of land parcel. Located on the Jamshedpur - Kolkata highway (N.H.- 33) and opposite to commercial developments like Evelex Multiplex and Big Bazaar, it falls under prime residential area. It is also in close vicinity to Brahmananda Hospital and MGM College.

Ashiana Aangan, Neemrana - I & II: Two land parcels were acquired in Neemrana of sizes 5.67 acres and 4 acres. The first parcel was already converted for non-agricultural purposes under the section '90 B' of Raiasthan Land Revenue Act and was launched during the year itself. The second one was bought in Feb 2013 adjacent to the first piece of land. It is currently 'Agricultural' and the company plans to receive the requisite clearances and start development thereafter. The total saleable area will be in the range of 8-8.5 lakhs sq. ft. approximately.

Vista Gardens, Jaipur: Vista Gardens is a 20 acre land parcel located in Saangner Tehsil of Jaipur. This project is in joint venture with Manglam Group. It is proposed to have comfort homes with two & three BHK options and a total saleable area of 15 lakhs sq. ft.

Ashiana Dwarka, Jodhpur: This land is situated in Tehsil Pal, Jodhpur, Rajasthan and will be utilized to develop a group housing project with total saleable area of approximately 5.25 lakhs sq. ft. It was earlier 'Agricultural' and has now received the 'Non-Residential' clearance under section 90A of Rajasthan Land Revenue Act. The company expects to receive the remaining approvals and launch the project shortly.

Financial Review

For the year ending March 2013, Consolidated Sales

and Other Income was recorded as ₹16.412 lakhs as against ₹24,898 lakhs during the previous year. Further, consolidated Profit after Tax closed at ₹ 3.315 lakhs for FY 2012-13 as compared to ₹6,955 lakhs in FY 2011-12.

Net worth of the company has grown 24 times in ten vears from ₹11.06 crores as on March 31.2002 to ₹268.07 crores as on March 31, 2013 without any dilution of equity or leveraging balance sheet. The current Debt-Equity ratio for the company is 0.04:1 as on March 31, 2013.

As disclosed earlier, revenue recognition and profits are weak for FY12-13 as the company is in transition phase to contract completion method of accounting from percentage of completion method.

This method of accounting more accurately reflects the assets and liabilities of the company. This will make it easy to understand the operating cash flows of the company, which is one of the most important parameter to appreciate the financial health of the company. It also better reflects the margins of the company, as they are directly linked to the delivered homes and square footage and not subject to future estimations of project cost. The full effect of new method will start reflecting in the financials FY 2014-15 onwards.

The best way for now is to look at key growth drivers: sales booked, construction done and operating cash flows generated.

Cash flow

As initiated last year, we prepared the modified statement of cash flows which is different from cash flow statement as per AS-3 this year as well. This statement reflects the pre-tax operating cash flows generated from ongoing projects by the company. It also indicates funds deployed in new land acquisition which will create pipeline of projects for the company.

Pre-tax operating cash flows from ongoing projects this year were ₹ 8,381 lakhs as compared to ₹ 10,967 lakhs last year due to delay in approvals which led to delayed launches and cashflows. Momentum is expected to pick up in 2013-14.

Modified Cash Flow Statement (Consolidated)

For the year ended March 31, 2013

959.360.359

The company deployed ₹ 6,515 lakhs in land acquisitions this year as compared to ₹ 5,440 lakhs previous year. Out of this major amount is towards purchase of land (₹4.689 lakhs) and rest in advance paid for acquisitions and investments in partnership firms. We announced acquisitions of six land parcels this year most of which have been paid for entirely. The pipeline will serve the future growth as the ongoing projects are nearing completion now.

Total cash and cash equivalents at the end of the year amounted to ₹ 9,594 lakhs, almost same as of the last year. This provides us sufficient funds to acquire additional land and expand further.

Recommended Dividend for the year 2012-13 is ₹ 2.25 per share. Also recommended is that authorized share capital of the company be subdivided into 93.049.775 number of shares of ₹ 2 each.

New Initiatives

Branding

As also mentioned at the start of this report, your company went through a rebranding initiative this year. The management felt a need for creating a strong differentiation and aligning the brand to the values we stand for.

We hired a brand consultant who interviewed 129 stakeholders across the board, including customers, employees and vendors. They followed a detailed methodical process to arrive at the answer to the guestion: "What does the brand Ashiana actually stand for?"

This inward journey to discover our brand core brought us to the following conclusion:

"Brand Ashiana stands for honesty that re-defines expectations."

In every business, customers have a set of expectations and Ashiana is a company that redefine those expectations. It is reflected into the company's' actions be it the price lists or the construction updates on websites, the no-broker/no-commission model or the regular customer feedbacks.

The logo and the tag line were then designed to translate the brand core into a visual identity. It says that once associated with Ashiana, you don't have to worry about deliveries, investments, safety, security and other issues related to housing. You are in safe hands'.

Also it came out that the company's core values are the ones which have helped in creating the identity.

Recognitions

Double delight was the flavor for us at the CNBC Awaaz Real Estate Awards 2012 as Ashiana Aangan's name was called twice to pick up the awards for The Best Affordable Housing in India as well as in the NCR. 8000 projects across 12 cities were evaluated on the basis of 'on-ground performance', features and amenities offered in the project, construction progress, timely delivery, inhabitability and customer's satisfaction.

We also won the prestigious CREDAI Real Estate Award 2012 for Utsay Bhiwadi as the Best Theme Based Township across India in the Non-Metro category. Utsav Bhiwadi was selected for the honour from amongst India's leading real estate and infrastructure companies in over a 100 cities. In the face of such an extensive competition, we were happy when we saw our name in the shortlist in the first round and overjoyed when we were declared the

Winners!

The CREDAI team visited the township and attended a presentation made by the Ashiana team in Delhi before arriving at their verdict.

HR Initiatives

As we continue to grow and have reached the league of mid-sized companies, to keep growing further, the most important asset we need is the people. To ensure that we have the right kind of people to fill the gaps that occur at the right time and that their goals are aligned with the company's; regular initiatives have been taken over the last couple of years.

We have been implementing skill development modules for the masons and started skill & technical enhancement program for supervisors (STEPS) last year. Management conversations have been introduced for employees to pave a way for people development & to establish a channel of communication & feedback. These conversations focus on individual development plan, linking them to organization's goals, identifying challenges and hence way forward. It also includes listing of training requirements for enhancement of technical / behavioral skills to achieve the goals.

And for this year, the company's priority is to establish a leadership development program. The purpose of the leadership development program is that we look at creating leaders from within. It is our belief that we can create more and more leaders from within who will manage the growing needs of the company and preserve Ashiana's core values.

Last year (2012-13) an average of 17.47 training hours per employee was achieved and a target of 20 training hours per employee has been taken for 2013-14.

There are many government schools in India which do not have adequate facilities for children to avail. We are focusing on infrastructure development of such

Ashiana took another step towards technical upgradation by introducing payroll software and centralizing the salaries at Corporate HR with a motive of and improving accuracy and streamlining the payroll processes.

CSR

Education

Phoolwari School:

For the year 2012-2013 an average of 300 students were provided basic education and other education related facilities. 65 Phoolwari students were further sent to Govt. Upper Primary School at Thada Village Bhiwadi and PanchayawalaVillage at Jaipur to acquire further education.

Project taken under Education:

Govt. Schools so that through our initiative we can bring some changes in the society.

We had collaborated with CEE "Centre for Environment Education" for Govt. Upper Primary School with a view to promote the conservation and sustainable use of nature and natural resources leading to a better environment and a better quality of life. CEE develops innovative programmes and educational material and builds capacity in the field of education for sustainable development.

Skill Training:

For the Year 2012-13 beside Bhiwadi, we were able to start skill training at Jaipur, Jamshedpur and Lavasa. Proper syllabus and examination for all our courses, with Certification by CIDC (Construction Industry Development Council) Govt. of India was started. At Lavasa we are imparting skills training through "Khushal", Khushal an organization under NSDC and CREDAL

Women Empowerment:

This year we were also able to start skill training for women. A sizable number of women laborer works at construction sites but they are employed only for side working or as a helper. We have started skill training for women laborer as well, to give equal opportunity to women laborer for better employability and better wage earning. A total of 12 women labor trained this year.

Outside Development:

- Developed community facility established at Jaipur for the use of local people.
- To benefit the villagers, water facilities were provided through deep tube well at Village Balram Basti, Jamshedpur, and current strength of the village is 1000 people.
- Manju Gupta Memorial Scholarship was rolled out to children of employees studying in class 9th onwards which was earlier 11th & above, and disbursed a total amount of ₹2.200.000.
- Ashiana's employees and residents contributed to "Joy of Giving" by providing items useful for poor and needy Children. A total of Rupees six lakhs was donated to various social organizations.

Accolades:

Ashiana has been awarded BMA - Siegwerk award 2012 for CSR Work at Bhiwadi for the second time. The company since its presence in Bhiwadi has been indulging in various CSR activities in infrastructural development, area beautification, greenery, basic education for children and such other activities. This award is in recognition of company's participation in developing Bhiwadi as a whole which has received the node from the industrial sector of Bhiwadi

Sustainability

Tree Plantation:

This year we organized Go Green walk cum plantation event with Bal Bharti Public School for the noble cause of conserving environment. Around 500 local residents and School Children joined the programme.

Financial Year	Amount ₹ in lakhs	Trees Planted
2007-08	0.63	200
2008-09	1.56	500
2009-10	7.54	600
2010-11	7.77	919
2011-12	16.28	1097
2012-13	15.38	602
G/Total	49.16	3918

Save Water:

Ashiana has incorporated this important aspect in all its projects by installing Rain Water Harvesting concept and recycling of used water for horticulture and cleaning purposes. The decision has culminated in saving colossal quantity of potable water and thus joined the government policy in letter and spirit. Through this activity we are saving 54,395 KL of water per month which amounts to 85% of the total water consumed per month by residents.

At Sites:

- Instead of plastic hose pipes for watering plaster, Sprinklers are used.
- Water meters installed to keep a check on daily usages of water in construction.

Save Electricity:

The company in conjunction with the government policy has incorporated solar heating system in toilets of its present and future residential complexes in order to save electricity.

We are saving electricity consumption @ 3 units (minimum) per flat per day in Ashiana Aangan (ONE OF OUR PROJECT). Presently total occupancy being

Risk & Concerns

timelines.

909 in Ashiana Aangan, there is a saving of 81,810 units money value of which works out to ₹461,408 per month.

Garbage Recycling:

We are also involved in collecting garbage from the residential projects and collect it and recycle it and use it further for making manure. This manure is used for plantation. Per day garbage collection – approx 700 KG from all our projects, where 20 % garbage is degradable and we are using it for plantation purpose in the form of manure. 80 % is non degradable which is disposed off through Kabadi.

With inflation rate remaining sticky, the cost of construction is rising. The industry is also seeing shortfall in skilled workers. There are some projects which have been stalled due to non-cooperation of the local government (like Kolkata). There are large numbers of vacant residential units which may force the prices to come down.

Some of the key risks that we see in our business are:

Labor - Over the last few years there has been a shortfall of skilled workers. The migration from key states like Bihar, Odisha & Bengal has reduced and that has also resulted in a huge spike in labor costs. Earlier one could find deploy people at project sites at minimum wages, but now the wages have spiked. This is resulting in cost inflation and delays in project

The company has been able to handle this challenge quite well. The company has been a good paymaster and pays all its labor dues in time. It has also been working on increasing its labor efficiency and has been able to make remarkable progress in that. The company is also looking at mechanization and pre fabrication options to cut down the labor intensity at its project sites.

Regulatory Approvals – A real estate project from buying the land parcel to final delivery goes through multiple channels of regulatory approvals. That

number is over 20 approvals, and any delay in any one of them can have an impact on the construction schedule. This is a huge risk in the business and delay in these approvals resulted in the company running out of saleable inventory.

The company is keenly aware of this risk and in order to reduce these risks is aiming to spread its sales mix to more projects spread to multiple states. Over the time it aims to build a pan India presence with presence in more than 10 cities, so that any adverse regulatory delays impact the overall sales of the company to a small extent only. From operating in 3 cities five years back, the company has now built presence in over 7 cities.

Interest Rates – In India most of the incremental residential sales are happening through home loan mortgages. In such a scenario, the monthly payout for the buyer is his EMI on the home loan, and the monthly amount is largely dependent on the Interest Rates. Over the last couple of years RBI has kept the interest rates very high to reduce the high inflation rates, which has been contrary to what the central banks in many other countries have been doing. This has resulted in gradual slowing in demand for residential homes with incremental residential sales reducing on a pan India basis reducing on a year-on-year basis.

Ashiana is focused on timely delivery of its projects and its sales momentum has continued even though it had limited inventory to sell in its largest market, namely Bhiwadi. Our brand has built upon its reputation and people feel more comfortable in dealing with us, when they take the big decision around buying a property. At the price point at which a typical Ashiana home sells ₹ 15-60 lakhs, and as long as the property price is below 6 times the annual median income of the target segment, we feel that slight increase or decrease in interest rates will not make a big difference in our sales momentum.

Business Outlook

We feel that Ashiana unlike last year would have adequate inventory to sell across multiple projects. We definitely will be able to construct at a faster rate than last year, and if the approvals on our new projects come in time, we should be able to sell more than two million sq. ft. in the coming financial year. Also construction targets are very challenging and a lot of preparatory work will be required. We will need skilled manpower from labor to senior management. Therefore, this year we have made establishing a leadership development program, a company priority. We are increasingly building the organization to be

aim to enter one new city, in a financial year and working towards build Ashiana as a pan India brand in mid income housing.

By order of the Board

Bhagwan Kumar Company Secretary

Place: New Delhi Date: May 30, 2013

EXPLANATORY STATEMENT PURSUANT TO SECTION 173 (2) OF THE COMPANIES ACT, 1956

ITEM NO.7.

The Board of Directors of the company had appointed Hemant Kaul as an Additional Director of the company with effect from May 30, 2013, and as such he holds office upto the date of this Annual General Meeting. A notice under section 257 of the Companies Act. 1956 has been received by the company from a member signifying his intention to propose the candidature of Hemant Kaul as a Director of the company. The resolution at item no. 7 is, therefore, recommended for approval of the members by means of Ordinary Resolution as required under the Companies Act. 1956.

None of the Directors of the company is concerned or interested in the said resolution.

ITEM NO. 8.

Ashok Kumar Mattoo is a Non Executive Independent Director of the company. He is a Mechanical Engineer, has over 45 years of experience in project planning, engineering and administration. He has served in major organisations like Border Roads, BHEL, and Tata Steel. He has also served as Director, Town Services, Jamshedpur and as Chairman of the Jamshedpur Notified Area Committee. Keeping in view his gualification, knowledge, experience and contribution to the company, the Board of Directors of the company, on recommendation of the Remuneration Committee, has approved to pay him remuneration by way of commission. The remuneration payable to all the non executive independent directors of the company shall not exceed 1% of net profits of the company calculated in accordance with section 349 & 350 of the Companies Act, 1956.

None of the Directors of the company, except Ashok Kumar Mattoo, is concerned or interested in the said resolution.

ITEM NO. 9.

The Board of Directors of the company had appointed Hemant Kaul as an Additional Director of the company with effect from May 30, 2013. Prior to joining Ashiana Housing Ltd., he was the Managing Director & CEO of Bajaj Allianz General Insurance Co Ltd. He had also served Axis Bank as Executive Director. He was also a part of the initial team that set up UTI Bank in 1994. During his tenure in UTI/Axis Bank he had stints in Branch Banking and also headed the Human Resource Development and Marketing functions. He also led the rebranding exercise of the bank from UTI to Axis Bank. In addition to the business functions in UTI, he was also responsible for the investor relations and corporate communications. He had also served on the Board of Bussan Auto Finance India Pvt. Ltd. (A JV between Mitsui, Axis Bank and Yamaha India) - an NBFC for

financing of two wheelers. Prior to joining Axis Bank, he was an officer with State Bank of Bikaner & Jaipur (1977-1994). Presently, he is an independent management consultant advising financial institutions.

He has done B.Sc. (Hons.) from the University of Rajasthan and holds a Management degree from Poddar Institute of Management, Jaipur.

Keeping in view the qualification, knowledge, experience of Hemant Kaul, the Board of Directors of the company, on recommendation of the Remuneration Committee, has approved to pay him remuneration by way of commission.

The remuneration payable to all the non executive independent directors of the company shall not exceed 1% of net profits of the company calculated in accordance with section 349 & 350 of the Companies Act, 1956.

None of the Directors of the company, except Hemant Kaul, is concerned or interested in the said resolution.

ITEM NO. 10.

In order to improve the liquidity of your company's Equity Shares in the Stock Markets with higher floating stock in absolute numbers and to make them more affordable for the small retail investors to invest in the company, the Board of Directors at its meeting held on May 30, 2013 has

approved the proposal for sub-division (stock split) of each Equity Share of the company having a face value of ₹10/each into 5 (Five) Equity Shares of the face value of ₹ 2/-(Rupee two only) each, subject to the approval of shareholders and all statutory authorities concerned. The company's Equity Shares are listed on BSE & NSE. The Record Date for the aforesaid sub-division of the Equity Shares will be fixed by the Board of Directors after the receipt of approval of the shareholders of the company.

The Directors of the company are deemed to be concerned or interested in the aforesaid resolution to the extent of their respective shareholdings in the company.

The Board recommends the resolution as set out in Item No. 10 for approval of the shareholders.

ITEM NO. 11.

As per the provisions of Section 94 of the Companies Act, 1956, approval of the Shareholders is required for subdivision of shares. Further, approval is also being sought for alteration in Clause V of Memorandum of Association of the company, pursuant to sub-division. Hence, the said resolution, as set out under Item No.11 of the Notice, is of the company and is eligible for re-appointment. Lalit hereby recommended for your approval.

The Directors of the company are deemed to be concerned or interested in the said resolution to the extent of their respective shareholdings in the company.

By order of the Board

Bhagwan Kumar Company Secretary

Directors' Report

To the member(s),

Your Directors have pleasure in presenting the 27th Annual Report together with the audited statement of accounts for the year ending March 31, 2013.

1. FINANCIAL RESULTS

The financial results of the company for the year ended March 31.2013 are as follows:-

			< III Idkiii	
SI. No.	Particulars	CURRENT YEAR	PREVIOUS YEAR	KEY Som
1.	Sales and other income	13,112.90	22,316.04	your for th
2.	Profit before Depreciation	4,006.03	8,542.00	giver
З.	Depreciation	256.11	237.76	Acqu
4.	Profit after Depreciation but before Taxation	3,749.92	8,304.24	a) '
5.	Provision for Taxation	540.26	1,439.21	/
6.	Profit after Depreciation and Taxation	3,209.66	6,865.03	(
7.	Surplus brought forward from previous year	1,737.80	353.88	I
8.	Profit available for Appropriation	4,947.46	7,218.91	b) /
9.	Proposed Dividend	418.72	418.72	1
10.	Tax on Proposed Dividend	43.59	54.14	I
11.	Transfer to General Reserve	2,350.00	5,008.25	i
12.	Balance Surplus carried to Balance Sheet	2,135.14	1,737.79	

For the year under review company's turnover and profits are lower as compared to previous year. This is because there is change in the accounting methodology of sales recognition from POC (Percentage of Completion) to Contract Completion Method adopted by the company in the previous financial year. Therefore, the results for the current financial year are not comparable with the reported figures for the previous financial year for both standalone and consolidated.

The Directors also express their sincere thanks to all the shareholders for the continued support and trust they have reposed in the Management.

On behalf of the Board of Directors

Vishal Gupta Managing Director

Ankur Gupta Jt. Managing Director

Place: New Delhi Dated: May 30, 2013

Annexure to the Directors' Report

Statement of Particulars under Section 217(1) (e) of the Companies Act. 1956 read with the companies [Disclosure of Particulars in the Report of Board of Directors) Rules, 1988 forming a part of Directors' Report for the year ended 31st March. 2013.

1. Conservation of Energy:

The company's energy consumption is minimal. We continually strive to reduce energy consumption in our developments by following the enhanced energy conservation measures. Company's projects are created with following energy conserving feature:

- a. Gearless lifts It saves power consumption because it runs on Permanent Magnet Synchronous Technology Due to removal of gear box, it reduces pollution. Hence it is called as Green Elevator. Also it reduces power loss in speed reduction.
- b. Solar geysers We are installing / fitting solar energy heated water into the geysers of individual apartments. This activity reduces consumption of power required for heating water during winter.
- c. Use of LED lights We have replaced all sodium vapor or metal halide lights fixtures by CFL and LED lights which consumes much lower energy.

- d. We installed FAB reactor band STP where power consumption is less in comparison to conventional extended aerated system.
- е We leave very minimum open paved hard space. We cover area by grass/ shrubs/ ground which consumes solar energy and supply oxygen. This affects ambient temperature within the premise.
- We plan, design and plant trees along the roads in such manners that car parking in open air parks under trees. This keeps the car cooler and reduces energy consumption of air-condition.

2. Technology absorption:

- We have installed FAB reactor band STP where power consumption is less in comparison to conventional extended aerated system.
- We have adopted semi automatic irrigation system in our projects which reduces water wastage and manpower.

Corporate Governance (Forming part of Directors' Report)

1. Company's Philosophy on Code of Governance

The company firmly believes in good Corporate Governance and has made Corporate Governance a practice and continuous process of development right across the company. The company's philosophy on corporate governance envisages the attainment of the highest levels of transparency and accountability in the functioning of the company and conduct of business.

The company's corporate philosophy is focused on its people who are the most important assets. The company values its employee's integrity, creativity and ability who in turn demonstrate the highest ethical standard and responsibility towards the shareholders. The company believes that over a period of time all its operations and actions must serve the underlying goal of enhancing overall shareholder value.

Our company is in compliance with the guidelines on Corporate Governance stipulated under various clauses of Listing Agreement with Stock Exchanges and in this regards, we submit a report on the matters mentioned in the said clauses and practices followed by the company.

On behalf of the Board of Directors

Vishal Gupta Managing Director

Place: New Delhi Dated: May 30, 2013

Auditors' Certificate

To the Members of Ashiana Housing Limited

We have examined the compliance of conditions of corporate governance by Ashiana Housing Limited for the year ended 31st March 2013 as stipulated in clause 49 of the Listing Agreement of the said company with stock exchanges in India.

The compliance of conditions of corporate governance is the responsibility of the management. Our examination was carried out in accordance with the Guidance Note on Certification of Corporate governance (as stipulated in Clause 49 of the Listing Agreement), issued by the Institute of Chartered Accountants of India and was limited to procedures and implementation thereof, adopted by the company for ensuring compliance of the conditions of corporate governance. It is neither an audit nor an expression of opinion on the financial statements of the company.

In our opinion and to the best of our information and according to the explanations given to us, and the representations made by the Directors and the management, we certify that the company has complied with the conditions of corporate governance as stipulated in the above mentioned Listing Agreement.

We further state that such compliance is neither an assurance as to the future viability of the company nor the efficiency or effectiveness with which the Management has conducted the affairs of the company.

Auditors' Report

To the Members of ASHIANA HOUSING LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of ASHIANA HOUSING LIMITED, which comprise the Balance Sheet as at March 31, 2013, the Statement of Profit and Loss and Cash Flow Statement for the year ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the company as at March 31, 2013;
- (b) in the case of the Profit and Loss Account, of the profit for the year ended on that date; and
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2003 issued by the Central Government of India in terms of sub-section [4A] of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the said Order.
- 2. As required by section 227[3] of the Act, we report that:
- We have obtained all the information and explanations which to the best of our knowledge and belief were a) necessary for the purpose of our audit;
- In our opinion proper books of account as required by law have been kept by the company so far as appears from b) our examination of those books;
- c) The Balance Sheet and Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account and with the returns received from branches visited by us;
- In our opinion, the Balance Sheet and Statement of Profit and Loss and Cash Flow Statement comply with the d) Accounting Standards referred to in subsection (3C) of section 211 of the Companies Act, 1956;

- e) On the basis of written representations received from the directors as on March 31, 2013, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2013, from being appointed as a director in terms of clause [q] of sub-section [1] of section 274 of the Companies Act, 1956;
- Since the Central Government has not issued any notification as to the rate at which the cess is to be paid under f) section 441A of the Companies Act, 1956 nor has it issued any Rules under the said section, prescribing the manner in which such cess is to be paid, no cess is due and payable by the company.

Annexure to the Auditors' Report

Referred to in our report of even date for the year ended 31st March, 2013.

- **1.** a) The company is maintaining proper records showing full particulars including quantitative details and situation of fixed assets.
 - **b)** According to the information and explanation given to us, all the fixed assets have not been physically verified by the management during the year but there is a regular program of verification which, in our opinion, is reasonable having regard to the size of the company and nature of its assets. As explained, no material discrepancies were noticed on such verification.
 - c) In our opinion and according to the information and explanations given to us, the company has not disposed substantial part of its fixed assets during the year.
- **2.** a) According to the information and explanations given to us, the management has physically verified the inventory during the year. In our opinion, the frequency of verification is reasonable.
 - **b)** In our opinion, the procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business.
 - c) On the basis of our examination of the records of inventory, we are of the opinion that the company is maintaining proper records of inventory. The discrepancies noticed on verification between the physical stocks and the book records were not material.
- **3.** The company has not taken/given unsecured loans from/ to companies, firms and other parties covered in the Register maintained under Section 301 of the Companies Act, 1956.
- 4. In our opinion and according to the information and explanations given to us, there are adequate internal control procedures commensurate with the size of the company and the nature of its business with regard to purchases of inventory and fixed assets and with regard to the sale of constructed units and services. During the course of our audit, we have not observed any continuing failure to correct major weakness in internal controls.
- 5. a) According to the information and explanations given to us, we are of the opinion that the particulars of contracts and arrangements referred to in Section 301 of the Companies Act, 1956 that need to be entered into the register maintained under that Section have been so entered.
 - b) In our opinion and according to the information and explanations given to us, the transactions that were made in pursuance of contracts or arrangements that need to be entered into the register maintained in pursuance of Section 301 of the Companies Act, 1956 and aggregating during the year to ₹ 500,000/- or more, in respect of each party, have been made at prices which are reasonable having regard to the prevailing market prices at the relevant time.
- 6. In our opinion and according to the information and explanations given to us, the company has not accepted any deposits from the public.
- 7. In our opinion, the company has an internal audit system commensurate with the size and nature of its business.
- 8. As certified by a Cost Accountant, the company has maintained cost records for the year under review, as prescribed under section 209(1)(d) of the Companies Act, 1956 read with Companies(Cost Accounting records) Rules, 2011 to the extent applicable to the company. We have, however, not made a detailed examination of such records.
- **9.** a) According to the records of the company, generally the company is regular in depositing with appropriate authorities undisputed statutory dues including provident fund, investor education and protection fund, employees' state insurance, income tax, sales tax, wealth tax, service tax, custom duty, excise duty, cess and other material statutory dues, as applicable, and no such statutory dues were outstanding as at the last day of the financial year under review for a period of more than six months from the date they became payable.
 - b) There are no dues of income tax, sales tax, wealth tax, service tax, customs duty, excise duty and cess, as applicable, which have not been deposited on account of any dispute.

- **10**. The company does not have accumulated losses. The company has not incurred any cash losses during the financial year covered by our audit and the immediately preceding financial year.
- **11**. In our opinion and according to the information and explanations given to us, the company has not defaulted in repayment of dues to a financial institution, bank or debenture holder.
- **12**. As per information and explanations provided to us, the company has not granted any loans and advances on the basis of security by way of pledge of shares, debentures and other securities.
- 13. In our opinion the company is not a chit fund or a nidhi/ mutual benefit fund/ society.
- **14**. The company is not dealing or trading in shares, securities, debentures and other investments. However, Investments of the company are held in its own name.
- **15**. According to the information and explanations given to us, the company has not given any guarantee for loans taken by others from Banks or Financial Institutions as at the close of the year.
- **16**. In our opinion and according to the information and explanation given to us, term loan have been applied for the purpose for which they were obtained.
- **17**. According to the information and explanations given to us and on an overall examination of the balance sheet of the company, we report that the no funds raised on short-term basis have been used for long-term investment.
- **18**. The company has not made any preferential allotment of shares to parties and companies covered in the register maintained under section 301 of the Companies Act, 1956.
- **19**. During the period covered by our audit report, the company has not issued any debentures.
- 20. The company has not raised money by public issues during the financial year concerned.
- **21**. According to the information and explanations given to us, no fraud on or by the company has been noticed or reported during the course of our audit.

b) Term / Rights attached to Equity Shares

The company has only one class of Equity Share having a par value of ₹10/- per share. Each holder of Equity Shares is entitled to one vote per share. The company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting. During the year ended 31 March 2013, the amount of per share dividend recognized as distributions to equity shareholders was ₹2.25 (31 March 2012: ₹2.25) In the event of liquidation of the company, the holders of equity shares will be entitled to receive remaining assets of the company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

REAL ESTATE PROJECTS :

- ลโ Revenue in respect of the projects undertaken before 31st March, 2006 and the projects which have not reached the level of completion as considered appropriate by the management within 31st March, 2011, as discussed in (b) below, is accounted for (i) on delivery of absolute physical possession of the respective units on completion, or (ii) on deemed possession of the respective units on completion or (iii) on physical possession for fitout, as considered appropriate by the management based on circumstantial status of the project.
- Revenue in respect of projects undertaken on or after 1st April, 2006 which have reached the level of construction as considered appropriate by the management within 31st March, 2011 is recognized on the "Percentage of Completion Method" (POC) of accounting and represents value of units contracted to be sold to the extent of actual work done against total estimated cost of execution. The corresponding cumulative amount at the close of the year appears under 'Current Liabilities' as deduction from "Advance from customers'.

The estimates of saleable area and Construction cost are reviewed periodically by the management and effect of any change in estimates is recognized in the period such changes are determined.

- Selling Expenses related to specific Projects/Units are being charged to Profit and Loss Account in the year in which Sale thereof is offered c) for taxation.
- d) Interest on delayed payments and other charges are accounted for on certainty of realization.

HOTEL & CLUB:

Revenue from rooms, food and beverages, club and other allied services, is recognized upon rendering of the services.

OTHER INCOME :

Other income is accounted on accrual basis except where the receipt of income is uncertain.

TAXES ON INCOME.

- a) Current Tax is determined as the amount of tax payable in respect of taxable income for the year.
- Deferred Tax is recognized, subject to consideration of prudence, in respect of deferred tax Assets/Liabilities arising on timing differences, b) being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent period. Deferred tax in respect of differential income due to accounting of sales on percentage completion basis, being not determinate, is not recognized.

INVESTMENTS

- a) Long term investments are carried at acquisition cost and investments intended to be held for less than one year are classified as current investments and are carried at lower of cost and market value. Long Term Investments which have attained the stage of permanent diminution in their value are revalued at their current value.
- b) Value of Intangible capital rights created in favor of the company in the process of Real Estate activities, being not determinate, are not shown in the books of accounts

FOREIGN CURRENCY TRANSACTIONS :

Income and Expenditure in foreign currency is converted into rupee at the rate of exchange prevailing on the date of the transactions. All payables and receivables related to foreign currency transactions outstanding at the year end are translated at exchange rates prevailing at the year end. The resultant translation differences are recognized in the Profit & Loss Account.

EMPLOYEE BENEFITS:

- Short term employee benefits are charged off at the undiscounted amount in the year in which the related service is rendered. a)
- b) Post employment and other long term employee benefits are charged off in the year in which the employee has rendered services. The amount charged off is recognized at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial gain and losses in respect of post employment and other long term benefits are charged to Profit and Loss Account.

USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires estimates/ assumption to be made that affect the reported amount of assets and liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between actual results and estimates are recognized in the period in which the results are known/ materialized.

IMPAIRMENT OF ASSETS:

Impairment Loss in the value of assets, as specified in Accounting Standard -28 is recognized whenever carrying value of such assets exceeds the market value or value in use, whichever is higher.

2) Contingent Liability, not provided for, in respect of :

- a) Claims not acknowledged as debts
 - Cess-Sonari land
 - Bank Guarantee
- b) Contested claim of the Government of Rajasthan for refund of State Capital Subsidy including interest ₹55.79 lakhs (₹54.75 lakhs) against which the company has deposited ₹55.79 lakhs (₹15 lakhs) under protest.
- c) Contested claim of Secretary, UIT, Bhiwadi for payment of Completion Certificate Charges amounting to ₹12.53 lakhs (₹12.53 lakhs) against which the company has deposited ₹12.53 lakhs (₹12.53 lakhs) under protest.
- Contested claim of a customer pursuant to the order of the District Consumer Forum ₹2.66 lakhs (Nil) against which the company has վյ deposited ₹ 2.66 lakhs (Nil) under protest.
- 3) Estimated amount of contract remaining to be executed on capital account and not provided for amounts to ₹182.86 lakhs (P.Y. Nil); against which the company has given advance of ₹15.10 lakhs (P.Y. Nil).
- 4] a) In view of non confirmation/response from the suppliers regarding their status as SSI units, the amount due to Small Scale Industrial undertaking can not be ascertained.
 - Due to non receipt of confirmation/response from the suppliers for compliance under the Micro, Small and Medium Enterprises b) Development Act, 2006, the company is unable to provide the information required under the said act.

5) Expenditure in Foreign Currency:

Travelling Expenses Medical Expenses Conference and Meeting expenses

- The company's Writ Petition before the Hon'ble Rajasthan High Court, challenging applicability of service tax to the company under the 61 category 'Construction of Residential Complex Services', has been dismissed by the Court. In view of this, the amounts of 'Service Tax Received from customers (subjudice)' and 'Service Tax paid under Protest' appearing under the heads "Other Current Liabilities" and "Short Term Loans and Advances" respectively in the previous year accounts have been regrouped/recasted.
- 7] The company has acquired Thada/Udaipur Business Divisions alongwith land admeasuring 22.296 hectares situated at Thada and Udaipur villages, District Alwar, Rajasthan from its wholly owned subsidiaries namely M/s Topwell Projects Consultants Limited and M/s Latest Developers Advisory Limited by way of slump sale during the year, and assets and liabilites acquired thereof have been considered in these accounts accordingly. The company plans to launch project 'Ashiana Town' on the aforesaid land.
- 8] In accordance with Accounting Standard 17 "Segment Reporting" as prescribed under Companies (Accounting Standards) Rules, 2006, the company has determined its business segment as Real Estate Business. Since there are no other business segments in which the company operates, there are no other primary reportable segments. Therefore, the segment revenue, segment results, segment assets, segment liabilities, total cost incurred to acquire segment assets, depreciation charge are all as is reflected in the financial statements.
- Related parties and transactions with them as specified in the Accounting Standard 18 on "Related Parties Disclosures" presribed under 91 Companies (Accounting Standards) Rules, 2006 has been identified and given below on the basis of information available with the company and the same has been relied upon by the auditors.

12) These accounts have been prepared as per the revised Accounting Standard (AS) 9 on "Revenue Recognition" and the Guidance note on "Recognition of Revenue by Real Estate Developers" in respect of projects undertaken on or after 1st April, 2006 which have reached the level of construction as considered appropriate by the management within 31st March, 2011. Since, in terms of provisions of the Income Tax Act, 1961 the income accrues upon delivery of physical possession/ deemed

possession of constructed unit and as deduction u/s 80IB (10) is claimed by the company after completion of construction, 'Net Profit' for computing Total Income under the said Act is as follows:

	₹	₹
Net Profit as per Profit & Loss Account		374,991,830
Le <mark>ss:- Sales</mark> Real Estate- ongoing projects	45,757,604	
Less: Ongoing project expenses adjusted	26,470,721	19,286,883
		355,704,947
Add:- As per Income Tax Act:		
Sales Real Estate – ongoing projects completed		
(upon delivery of physical possession)	2,107,661,646	
Less: Cost of Sales	1,148,437,473	959,224,173
Net Profit for Income Tax Purpose		1,314,929,120

13) Unabsorbed MAT credit to be allowed in future years amounts to ₹ 259,435,295/- (₹ 362,982,478/-)

- 14) The following changes in the accounting policies have been adopted during the year:
 - a) The project specific indirect expenses are being included in the cost in valuing Unsold Completed Construction and work in Progress.
 - b) Selling Expenses related to Specific Projects are being charged to Profit & Loss Account in the year in which sale thereof is offered for taxation

Due to the aforesaid changes, profit for the year is higher by ₹ 717.97 lakhs.

- 15) On the basis of physical verification of assets, as specified in Accounting Standard 28 and cash generation capacity of those assets, in the management perception there is no impairment of such assets as appearing in the balance sheet as on 31.03.2013.
- 16) During the year, the company has incurred ₹ 79.00 lakhs (P.Y. ₹ 37.92 lakhs) towards Corporate Social Responsibility which has been charged to the respective heads of accounts.
- **17**] a) Previous year figures above are indicated in brackets.
 - b) Previous year figure have been regrouped/rearranged, wherever found necessary.
 - In view of changes in accounting policies as stated in Note No. 14 above, corresponding previous year figures are not comparable c) to that extent

Auditors' Report

TO THE BOARD OF DIRECTORS OF ASHIANA HOUSING LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of ASHIANA HOUSING LIMITED and its subsidiaries, which comprises the consolidated Balance Sheet as at March 31, 2013, the consolidated Statement of Profit and Loss and consolidated Cash Flow Statement for the year ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the company in accordance with the Accounting Principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation and fair presentation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

(a) in the case of the consolidated Balance Sheet, of the state of affairs of the company as at March 31, 2013;

(b) in the case of the consolidated Profit and Loss Account, of the profit for the year ended on that date; and

(c) in the case of the consolidated Cash Flow Statement, of the cash flows for the year ended on that date.

32 NOTES ON ACCOUNTS

1) SIGNIFICANT ACCOUNTING POLICIES

PRINCIPLES OF CONSOLIDATION

The Consolidated Financial Statements include the financial statements of Ashiana Housing Limited and its subsidiaries. The Consolidated Financial Statements of the Group have been prepared in accordance with Accounting Standard AS - 21 'Consolidated Financial Statements', issued by the Institute of Chartered Accountants of India ('ICAI') and notified pursuant to the Companies (Accounting Standards) Rules, 2006. The Consolidated Financial Statements are prepared on the following basis:

- a) Consolidated Financial Statements normally include consolidated Balance Sheet, consolidated statement of Profit & Loss, consolidated statement of Cash flows and notes to the Consolidated Financial Statements and explanatory statements that form an integral part thereof. The Consolidated Financial Statements are presented, to the extent possible, in the same format as that adopted by the parent for standalone financial statements.
- b) The Consolidated Financial Statements include the financial statements of the company and all its subsidiaries.
- The Consolidated Financial Statements have been combined on a line-by-line basis by adding the book values of like items of assets, cl liabilities, income and expenses after eliminating inter-group balances / transactions and resulting elimination of unrealised profits in full. The amounts shown in respect of reserves comprise the amount of the relevant reserves as per the balance sheet of the parent company and its share in the post-acquisition increase in the relevant reserves of the entity to be consolidated.
- d] Minority interest represents the amount of equity attributable to minority shareholders / partners at the date on which investment in a subsidiary is made and its share of movements in equity since that date.
- e) Notes to the Consolidated Financial Statements represents notes involving items which are considered material and are accordingly duly disclosed. Materiality for the purpose is assessed in relation to the information contained in the Consolidated Financial Statements. Further, additional statutory information disclosed in separate financial statements of the subsidiary and / or a parent having no bearing on the true and fair view of the Consolidated Financial Statements have not been disclosed in the Consolidated Financial Statements.

SYSTEM OF ACCOUNTING :

The company adopts accrual basis of accounting in the preparation of accounts.

FIXED ASSETS

- 1. Fixed assets are valued at cost less depreciation/ amortization
- 2. Capital Work in progress is valued at cost
- 3. Intangible Assets under Development is valued at cost.

DEPRECIATION AND AMORTIZATION

- 1 Depreciation on tangible asset is provided on straight line basis in accordance with the provision of Schedule XIV of Companies Act, 1956 except that depreciation on the Fixed Assets held by Subsidiary Partnership Firms and Limited Liability Partnership firms, is provided at the rate as specified in Income Tax Rules, 1962.
- 2 Intangible assets are amortised over the period of useful life of the assets as estimated by the management except that depreciation on intangible assets held by Subsidiary Partnership Firms and Limited Liability Partnership firms, is provided at the rate as specified as Income Tax Rule, 1962.

INVENTORIES :

Inventories are valued as follows:	
Construction Material and Other consumables	At Lower of cost and net realization written down below cost if the constance expected to be sold at or above cost if the constance expected to be sold at or above cost if the constant of the sold at or above cost if the constant of the sold at or above cost if the constant of the sold at or above cost if the constant of the sold at or above cost if the cost is a sold at or above cost if the cost is a sold at or above cost if the cost is a sold at or above cost if the cost is a sold at or above cost is
Leasehold and Freehold Land	At Lower of cost and net realizable va
Unsold Completed Construction and Work in Progress	At Lower of cost and net realizable specific direct and indirect expense expenses are included in such cost.

REAL ESTATE PROJECTS AND SALES

- a) Revenue in respect of the projects undertaken before 31st March, 2006 and the projects which have not reached the level of completion as considered appropriate by the management within 31st March, 2011, as discussed in (b) below, is accounted for (i) on delivery of absolute physical possession of the respective units on completion, or (ii) on deemed possession of the respective units on completion or (iii) on physical possession for fitout, as considered appropriate by the management based on circumstantial status of the project.
- b) Revenue in respect of projects undertaken on or after 1st April, 2006 which have reached the level of construction as considered appropriate by the management within 31st March, 2011 is recognized on the "Percentage of Completion Method" (POC) of accounting and represents value of units contracted to be sold to the extent of actual work done against total estimated cost of execution. The corresponding cumulative amount at the close of the year appears under 'Current Liabilities' as deduction from "Advance from customers'

The estimates of saleable area and construction cost are reviewed periodically by the management and effect of any change in estimates is recognized in the period such changes are determined.

- c) Selling Expenses related to specific projects/units are being charged to Profit and Loss account in the year in which sale thereof is offered for taxation
- d] Revenue from rooms, food and beverages, club and other allied services, is recognized upon rendering of the services.
- e) Project maintenance charges and Other income is accounted for on accrual basis except where the receipt of income is uncertain.
- f) Interest on delayed payments and other charges are accounted for on certainty of realization.

OTHER INCOME

Other income is accounted on accrual basis except where the receipt of income is uncertain. TAXES ON INCOME :

a) Current Tax is determined as the amount of tax payable in respect of taxable income for the year.

b) Deferred Tax is recognized, subject to consideration of prudence, in respect of deferred tax Assets/Liabilities arising on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent period. Deferred tax in respect of differential income due to accounting of sales on percentage completion basis, being not determinate, is not recognized.

INVESTMENTS:

- a) Long term investments are carried at acquisition cost and investments intended to be held for less than one year are classified as current investments and are carried at lower of cost and market value. Long Term Investments which have attained the stage of permanent diminution in their value are revalued at their current value.
- b) Value of Intangible capital rights created in favor of the company in the process of Real Estate activities, being not determinate, are not shown in the books of accounts

FOREIGN CURRENCY TRANSACTIONS:

Income and Expenditure in foreign currency is converted into rupee at the rate of exchange prevailing on the date of the transactions.

EMPLOYEE BENEFITS

- (a) Short term employee benefits are charged off at the undiscounted amount in the year in which the related service is rendered.
- (b) Post employment and other long term employee benefits are charged off in the year in which the employee has rendered services. The amount charged off is recognized at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial

USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires estimates/ exemptions to be made that affect the reported amount of assets and liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between actual results and estimates are recognized in the period in which the results are known/ materialized.

able value. However, materials and other items are not structed units/food, beverages etc. in which they are used cost. Cost is determined on FIFO basis.

ble value. Cost includes direct materials, labor and Project nses, except in Subsidiary Partnership Firms wherein all

gain and losses in respect of post employment and other long term benefits are charged to Profit and Loss Account.

IMPAIRMENT OF ASSETS :

Impairment Loss in the value of assets, as specified in Accounting Standard -28 is recognised whenever carrying value of such assets exceeds the market value or value in use, whichever is higher.

2) Contingent Liability, not provided for, in respect of:

a) Claims not acknowledged as debts

Cess-Sonari land	₹45.91 lakhs	(₹37.53 lakhs)
Service Tax	₹6.92 lakhs	(Nil)
Bank Guarantee	₹0.25 lakhs	(₹0.25 lakhs)
Income Tax	₹12.45 lakhs	(Nil)
Entry Tax	₹9.35 lakhs	(Nil)

- b) Contested claim of the Government of Rajasthan for refund of State Capital Subsidy including interest ₹ 55.79 lakhs (₹ 54.75 lakhs) against which the company has deposited ₹ 55.79 lakhs (₹15 lakhs) under protest.
- c) Contested claim of Secretary, UIT, Bhiwadi for payment of Completion Certificate Charges amounting to ₹ 12.53 lakhs (₹12.53 lakhs) against which the company has deposited ₹ 12.53 lakhs (₹ 12.53 lakhs) under protest.
- d) Contested claim of a customer pursuant to the order of the District Consumer Forum ₹2.66 lakhs (Nil) against which the company has deposited ₹2.66 lakhs (Nil) under protest.
- 3) Estimated amount of contract remaining to be executed on capital account and not provided for amounts to ₹182.86 lakhs (Nil) against which the company has given advance of ₹15.10 lakhs (Nil).
- 4) The company's Writ Petition before the Hon'ble Rajasthan High Court, challenging applicability of service tax to the company under the category 'Construction of Residential Complex Services', has been dismissed by the Court. In view of this, the amounts of 'Service Tax Received from customers (subjudice)' and 'Service Tax paid under Protest' appearing under the heads "Other Current Liabilities" and "Short Term Loans and Advances" respectively in the previous year accounts have been regrouped/recasted.
- 5] In accordance with Accounting Standard 17 "Segment Reporting" as prescribed under Companies (Accounting Standards) Rules, 2006, the company has determined its business segment as Real Estate Business. Since there are no other business segments in which the company operates, there are no other primary reportable segments. Therefore, the segment revenue, segment results, segment assets, segment liabilities, total cost incurred to acquire segment assets, depreciation charge are all as is reflected in the financial statements.
- 6) Related parties and transactions with them as specified in the Accounting Standard 18 on "Related Parties Disclosures" prescribed under Companies (Accounting Standards) Rules, 2006 has been identified and given below on the basis of information available with the company and the same has been relied upon by the auditors.

A Tribute

As a visionary, you enhanced the quality of life for everyone. You gave middle income housing a unique stature in India; Pioneered retirement housing that went beyond security and comfort; Created free training centres for unskilled and semi-skilled workers. Your concern and affection for customers, residents, vendors and staff members was always evident in your perceptive, queries and insightful actions.

You will continue to inspire us with your vision, mission & principles. We pledge to build upon what you started.
